

SNOW REMOVAL GUIDELINES FOR GHPOA
Exhibit C1300
(Rev. 2/20/2021)

Contact: Carl Schwander, Community Manager, Community Association Services of Indiana
cschwander@cas-indiana.com or (317) 875-5600

Snow Removal Objective:

Our goal is to keep the streets in the GHPOA neighborhoods passable for experienced drivers. The Association does not have the resources to keep the streets as clear as a typical city thoroughfare. With these objectives in mind, the GHPOA Board established the following snow removal guidelines.

Snow Push Guidelines:

Snow will be pushed on all streets in the association when accumulation reaches two-inches. The Community Manager and snow removal contractor will review weather reports and physically verify existing conditions. Notwithstanding the foregoing, the Community Manager, in consultation with the President of GHPOA, may elect not to push snow if it is reasonably foreseeable that such snow will melt within 24 hours and that no icy or hazardous conditions exist. In addition, the Community Manager, in consultation with the President of the GHPOA, may elect to take corrective snow push or ice melt application if they feel it is in the best interest of GHPOA residents. Neighborhood Directors are authorized to contact the snow removal contractor directly for applications of ice melt if the Director for such neighborhood is unable to contact the Community Manager. It is the responsibility of the homeowners to remove the snow at the end of the driveways.

Snow will be removed in the following sequence:

- 1st- Major thoroughfares
- 2nd- Cross streets
- 3rd- Side streets
- 4th- Cul-de-sacs

Ice Melt Guidelines:

Should the Community Manager, in consultation with the President of GHPOA, reasonably determine that any snowfall of less than two-inches or freezing rain may create icy or hazardous conditions, snow will be pushed from the following areas and/or ice-melting chemicals applied:

ADMIRALS

Entrances

- 86th & Admirals Bay
- 86th & Promontory
- 86th & Admirals Pointe
- Carroll Road & Old Stone Drive
- Carroll Road & Anchor Bay
